

## Mayo Civic Center Approved Caterers

The Mayo Civic Center is the exclusive provider of both our concessions and alcohol services. Our Hospitality Service division is made up of quality industry professionals, trained in providing the best possible service.

We can open concession stands for your attendees to purchase their own items or we can arrange with you to provide beverages, breakfast items, box lunches, fruit, pastries, desserts and other food and beverages ideal for hosted breakfasts, lunches or breaks. Our business clients have found that using Mayo Civic Center Hospitality Services gives them the advantage of a quick response should their needs increase while they are here.

If you're looking for a more formal meal during your event, you will need to choose from one of our Approved Caterers. (Wedding cakes are excluded from this requirement).

When catering at the Mayo Civic Center, these caterers are required to collect a 15% service fee on the gross catering charges of any given event. This fee is paid to the Mayo Civic Center and is used to defray expenses for cleaning, electricity, ice, refrigeration, etc.
